

16 MAY 08

Honorable John D. Dingell
US House of Representatives Committee on Energy and Commerce
2125 Rayburn house Office Building
Washington DC 20515-0115

Dear Mr. Dingell,

I am responding to your letter of 8 MAY 2008 related to food recalls from 1 JAN 2000 to current date.

1. The list of all food recalls and food safety alerts issued by Morgan Foods including the date of the recall or alert, the product, the brand affected and the reason for the recall or alert.
 - A) 6 DEC 2005; Great Value Dark Kidney Beans 15.5 oz; mislabeled product, actually contained great northern beans (class three recall).
 - B) 25 MAY 2006; Valu Time Condensed Chicken Noodle Soup 10.5 oz; mislabeled product; the soup contained milk and soy, known allergens, which are not declared on the label.
 - C) 03 FEB 2007; Kroger Ready to Serve Chunky Chicken Noodle Soup 18.6 oz; mislabeled product; the soup contained milk and soy, known allergens, which are not declared on the label
2. For each kind of product, list all instances when internal microbiological testing was found to be positive for E. Coli, Salmonella, Cyclospora caretanensis, Cryptosporidium, hepatitis A, Clostridium botulinum or Listeria in excess of the highest limit acceptable to FDA or any State regulatory agency.
None
3. For each kind of product, list the instances when internal testing was found to be positive for the presence of a chemical contaminant at levels in excess of the highest limit acceptable to FDA or any State regulatory agency.
None
4. For products imported into the United States for handling or processing by any facility operated by your firm, please list the instances when internal or outside laboratory testing was positive for the presence of either a chemical or microbiological contaminant in excess of FDA or State regulatory limits.
None
5. For each of the above items, please specify whether FDA was notified, and if not, why not. FDA was notified regarding the first recall. Each of the other events involved products amenable to the Meat & Poultry Inspection Act, so USDA was contacted.
6. Please supply a list of all instances where FDA or any State regulatory authority was denied entrance to any facility or records regarding microbiological or chemical testing performed on products processed at the facility.
